

2024 COURSES FOR TWILIGHT SERIES

Race courses will be varied, depending on wind, weather, sunlight, and R/C's state of mind. They are all shorter than usual so you can return to the muster area (clubhouse) and have ample time to do well on the MANDATORY Academic Quiz, a test of general sailing and boating knowledge that any respectable bosun should have. START between the orange flag at the Shore Side Station and the club mooring ball and then round the pin to Starboard. FINISH LINE is between the mooring ball and the R/C Shore Side Station after rounding the pin to Port. LCM is a floating ball .2 mi SW in Loews small boat dock, mid channel.
