RRS 32, 44, 60, 61, and S4.1 are modified as described in the Sailing Instructions.

Liability: RRS 3 states, "The responsibility for a boat's decision to participate in a race or to continue *racing* is hers alone." By participating in this event, each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform, and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes. By participating in this event, each competitor accepts the Waiver of Liability on the website.

Insurance: Each participating boat must be insured with valid third-party liability insurance with minimum coverage of \$500,000 per incident or equivalent.

Weather: If DISC decides to cancel the race, it will post a notice on the online notice board. If crews have already gathered at WSM, a DISC officer (or representative) will announce the cancellation at the skippers' meeting.

Awards: First, second, and third place trophies will be awarded for fleets of five or more; first and second place for fleets of four; and first place for fleets for three or less. Trophies will be presented at DISC's annual awards banquet.

Standing RC: The standing race committee (standing RC) is comprised of DISC's vice commodore, spinnaker fleet captain, non-spinnaker fleet captain, any DISC officers present, and any person appointed by the DISC officers. The standing RC may cancel or postpone a race, or make course selections based on conditions the day of the race.
