Sailing Instructions (SI) Amendment-1

Article 6 is changed to read as follows:

6 CHECK IN

6.1 Each boat shall check in on their appropriate channel (DDR SI 6.2) and be acknowledged.

When **checking in**, give your **boat name**, **sail number** and **division**.

6.1.1 Boats in the Cruising Divisions may check in when they arrive at their starting area in the Richmond Inner Harbor Approach Channel, near the RYC breakwater, until their starts are completed.

6.1.2 Boats in the Racing Divisions may check in from the time they arrive at the starting area, North of the Richmond-San Rafael Bridge, until the last start is completed.

6.2 Boats with **odd sail numbers check in on VHF channel 71**. Boats with **even sail numbers check in on channel 72**. A boat that is unable to check-in on its assigned channel may try the other channel. Channels 71 and 72 will not be monitored except for check-in.

6.3 **Switch to VHF 69 after checking in for race committee notices and monitoring during the race for safety (DDR NOR 2.2).**

6.4 **Failure to check in and be acknowledged, before the last start is completed, is an automatic DNS without a hearing. This changes RRS A5.1.**
