

SAILING INSTRUCTIONS

AMENDMENT 1

A1. All communications between the Race Committee and competitors will be on VHF channel 07. This changes SI 3, 9.3, 16.2 and 18.

A2. The required equipment and measurement list is as follows: a USCG approved Type 3 PFD suitably sized for each crew member, whistle or horn, 30' towline of appropriate material, appropriately sized anchor and rode, properly fitted and secured bow flotation bag and VHF and a mast step measurement less than 169.5". This modifies SI 17.1 and 17.2.
