## **Amendment #1 to the Notice of Race**

1) Delete NOR 7.3 and replace with the following:

7.3 Non-Spinnaker offsets (NSO) may be used. Use of the Non-Spinnaker offset rating shall be declared prior to the first race of the series. Boats declaring use of the NSO shall not use a spinnaker during the series.

Reason:

- To allow Race Committee to combine Spinnaker and non-spinnaker boats into one mixed class.
