# Additional Information

Come sail with us at one of our classic locations...Windjammer's Sailing Club!

**Camping** (tenting) can be done directly onsite, but this does depend on weather conditions (rain) (RVs can also park at Windjammers in designated areas – see yellow circle in image below). There are a couple sailing members who live in the area who often open their homes as well for people to stay; their offer typically travels by word of mouth. If you chose to forego camping or staying with a local, the closest hotel is Country Inn & Suites, located less than 15min south of the sailing club. You can [click here](#) to be directed to their site to book a stay.

Boats and trailers can be stored directly on the grass at the club (see red boxes in image below). The launch site is available right from the grass (see blue area in image below) and you will follow the channel markers to get out in to the bay.

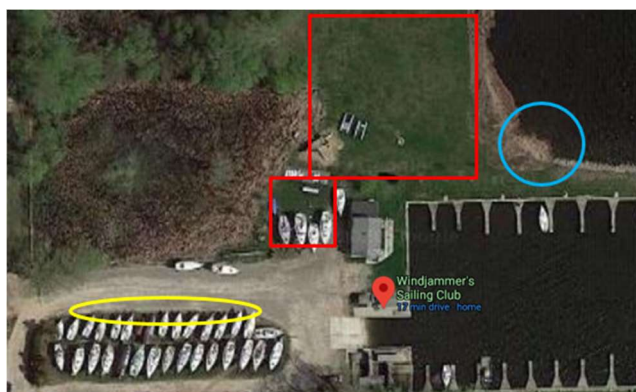

**\*\*Camping, boat launch, & boat/trailer parking is subject to change based on water level.\*\***

Breakfast Saturday will be provided in conjunction with the skipper's meeting. Saturday night's **dinner** is a grill out held at Windjammer's. The dinner fee is included with registration for skipper and crew. Additional meal tickets for non-sailors available for purchase.

Other things to do in the area include visiting the New Zoo, Bay Beach Amusement Park or the Wildlife Sanctuary, Green Bay Botanical Garden, the National Railroad Museum, Lambeau Field (home of the Packers!), and Heritage Hill State Park. There are also different hiking trails around the Green Bay area that you could explore (for example Fonferek's Glen).

We hope you can stop out and join us!

This regatta is part of the non-spinnaker fleet series.
