## Where to Park

If you're coming to MRYC and need a place to park your equipment, several options are available. It's tempting to park next to the ramp and beach, but everyone wants to use the ramp and beach. It's also tempting to park next to the wash-down hoses in the field. These spots are only open because people leave them open for others to wash down boats.

Please park your cars in the Car Parking Area outlined in **orange** above.

Please park boats in the Boat Parking Area outlined in **green** above.

You can be in other areas for 5 minutes to unload equipment. Just remember that *everyone* needs to unload. Please respect your fellow competitors and leave space for them to unload their equipment.
