## 11. RISK STATEMENT

11.1. All coaches, parents, guardians, and 'designated adults' are defined as support persons and are subject to the Racing Rules of Sailing. Support Persons are obliged under RRS 1.1 to 'give all possible help to any person or vessel in danger.' Support Persons are obliged under rule 37 to monitor the Race Committee communication channel for search and rescue instructions when code flag V (white with red X) is displayed.

11.2. RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' Since the competitors in this event are minors, an adult (parent, guardian, or designated adult) is responsible for the safety of their competitor(s). It is the responsibility of this adult to decide if their competitor(s) should sail in the weather and sea conditions that might arise during the event. By allowing minor sailors to participate in this event, each support person/designated adult agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

11.3. Parents and guardians not personally attending any part of the event shall ensure that another adult is authorized and designated to make the decisions to compete for their sailor(s) and that person is on the water at all times with the competitors.

**12. DISCLAIMER** The organizing authority will not accept any liability for material damage, personal injury, illness or death sustained in conjunction with or before, during, or after the regatta. AN ONLINE WAIVER MUST BE SIGNED BY ALL COMPETITORS AND THEIR PARENT/GUARDIAN.
