

SAILING INSTRUCTIONS v2.1

WHITEBREAD 32

27 September 2025

1. RULES

- 1.1. The organizing authority is the Peconic Bay Sailing Association.
- 1.2. The Whitebread Race is a PHRF handicap race for monohull keelboats with a rating of 300 or less.
- 1.3. Each yacht entered shall hold a current 2025 PHRF rating certificate from ECSA, ELIYA, or Off Soundings.
- 1.4. Yachts not complying with the rating requirements will be assigned a rating deemed appropriate by the Race Committee. Assigned ratings shall not be grounds for redress. This modifies RRS 61.4.
- 1.5. Racing will be governed by The Racing Rules of Sailing (RRS) 2025-2028.
- 1.6. If there is a conflict between the Notice of Race and the Sailing Instructions, the Sailing Instructions shall govern. This changes RRS 63.5 (c).

2. CHANGES

- 2.1. Written amendments to the Sailing Instructions will be posted on the [Official Notice Board](#).
- 2.2. Changes to the sailing instructions may be broadcast on the water over VHF 72 in accordance with RRS 90.2 (c). Failure to hear such instructions shall not be grounds for redress.

3. MINIMUM EQUIPMENT

- 3.1. Government regulations and the Racing Rules of Sailing require certain minimum equipment be carried aboard each boat. As a minimum all boats must carry a personal flotation device (PFD) for each person aboard, a throwable PFD, an anchor with adequate anchor rode, and a working VHF radio. The Race Committee reserves the right to inspect any boat for compliance with these requirements. All crew members on boats without lifelines are required to always wear personal flotation devices while racing. This modifies RRS 40.1.
- 3.2. Boats competing in a one-design class or holding a one-design handicap rating (ODR) shall carry all additional equipment mandated by their class rules. Maximum crew weight limits, if incorporated into the class rules, shall not apply.

4. RACE PACKETS

- 4.1. Backstay division ribbons and race packets will be distributed at the Skippers Meeting on September 26th. Sailing Instructions and scratch sheets will be emailed to competitors no later than 2400 hours on September 25th. Competitors are urged to refer to information on the Whitebread 32 event web site for pertinent race information. Race Packets will NOT be available from the Race Committee boats prior to the start of the race.

5. DIVISION FLAGS

- 5.1. Division ribbons should be flown from the backstay (preferably) or stern of competing vessel. All classes within a division will fly the same division ribbon. You may supply your own correct color division ribbon. Failure to display a division ribbon does not constitute grounds for disqualification. Division splits will be published no later than midnight on September 25th. The warning times shown in 5.1 are approximate.

DIVISIONS	WARNING	FLAG/RIBBON	DIVISIONS	WARNING	FLAG/RIBBON
1- Spinnaker	10:20	Pink	4- Spinnaker	09:50	Green
2- Spinnaker	10:10	Purple	5-NonSpinnaker	09:40	Black
3- Non Spinnaker	10:00	Blue	6- Non Spinnaker	09:30	Silver
			7- Navigator	09:20	White

SAILING INSTRUCTIONS v2.1

WHITEBREAD 32

27 September 2025

6. RACE ATTENTION

- 6.1. The Race Committee will signal Race Attention at 0830 by making a single sound signal from the Race Committee Signal Boat and announcing same over VHF channel 72. All changes and/or amendments to these Sailing Instructions will also be broadcast at that time.

7. CHECK IN AND SAIL NUMBERS

- 7.1. All competitors are required to check in with the Race Committee prior to starting. This shall be done either via VHF channel 71 or verbally by sailing past the auxiliary Race Committee boat with the mainsail up to clearly display the boat's sail number. **Do not use VHF channel 72 for check in.** If checking in by radio, wait for acknowledgment from the race committee before signing off. The race committee requests you **DO NOT** check in during the five minute starting sequence for each division.
- 7.2. Unless granted a special exception by the Race Committee, all competitors must have numbers or identifying letters on their mainsails and these numbers must match those listed for that boat on the scratch sheet. Sails other than mainsails need not have numbers but, if they do, they must match those on the mainsail. To be scored properly you must notify the Race Committee during your pre-race check-in if there is an error on the scratch sheet regarding your sail number.

8. THE COURSE

- 8.1. The course to be sailed will be selected from those described in **Attachment A "Marks of the Courses"**. Each mark of a course is to be observed as indicated: P means leave that mark to port; S means leave that mark to starboard. Government marks or other aids to navigation not listed as marks of the course maybe passed on either side.
- 8.2. Please note the sequence of marks and the side on which they are to be passed in each course. Some marks are required to be passed twice, leaving them on different sides each time. Other marks may be required marks of the course when passing them one time but not required marks when passing them another time.
- 8.3. The course for each division will be signaled by the code flag corresponding to the course's letter designation prior to the Warning Signal for that division. Note that all divisions may not sail the same course.
- 8.4. The Race Committee may supplement the course signals with broadcast announcements on VHF channel 72.
- 8.5. CAUTION TO SKIPPERS: Courses Alpha and Bravo circumnavigate Shelter Island. When rounding Shelter Island in either direction you will encounter ferries at North Haven and Greenport. Skippers are reminded that commercial vessels have right of way and must take prudent action to avoid such potentially dangerous situations. Be aware that in strong currents and at reduced speeds, ferries become less maneuverable and may be unable to take measures to avoid competitors sailing the course.

9. THE START AND START SEQUENCE

- 9.1. A scratch sheet "Attachment B" with the division splits will be published on the [Official Notice Board](#) by 2400 hours September 25th.
- 9.2. The starting line will be located between an orange flag on the Race Committee Signal vessel and R-18 in Little Peconic Bay.
- 9.3. If conditions warrant moving the starting line from the vicinity of R-18, the Signal Boat will sound two(2) sound signals and display  "AP". The signal boat will hoist  Code Flag L "Follow Me" and lead the competitors to the new starting area. The RC Signal boat will sound one (1) sound and lower  "AP". The warning signal for the first start after the move of the starting line will be made one (1) minute after  "AP" is lowered.
- 9.4. If the starting line is moved from R-18, the start line will be between an orange flag on the RC Signal Vessel and a yellow inflatable mark to port.
- 9.5. Boats whose warning signal has not yet been made shall keep clear of the starting area. Boats infringing this rule may be subject to protest and disqualification.

SAILING INSTRUCTIONS v2.1

WHITEBREAD 32

27 September 2025

- 9.6. The Starting Sequence will be according to RRS 26. Except in the case of a general recall, there will be a 10 minute interval between the start sequences for each division.

MIN.	RRS 26 SIGNALS	MEANING	
5	Division Flag(s) UP	Warning	
4	<p>"P" or "I" or "Z" or "Z/I" or "Black" or "U" UP</p> 	Preparatory	
1	Preparatory Flag(s) DOWN	Start in one (1) minute	
0	Class Flag(s) DOWN	Start	

10. POSTPONEMENTS, INDIVIDUAL RECALL, GENERAL RECALL AND ABANDONMENT

- 10.1. Postponements will be signaled by the hoisting of code flag  "Answering Pennant" (AP) accompanied by two (2) sound signals. The "AP" flag will be lowered accompanied by one (1) sound signal one minute before the warning signal for the next division to start. When a postponement has been made for one division start, starts for all succeeding divisions shall be delayed accordingly.
- 10.2. Individual Recall: In accordance with RRS 29.1, the Race Committee will signal premature starters by the display of code flag  "X" and one sound signal. The  flag will remain displayed until all premature starters have returned and are on the pre-race side of the line but no longer than four minutes after the starting signal. The Race Committee will attempt to hail offending boats on VHF channel 72. Failure of a boat to see or hear her recall signal shall not relieve her of her obligation to start correctly.
- 10.3. General Recall: In accordance with RRS 29.2, when at the starting signal for any division, the Race Committee is unable to identify all boats on the course side of the starting line or if there has been an error in the starting procedure, a general recall may be signaled by display of code flag  "First Substitute" together with two (2) sound signals. The Warning Signal for the class recalled will be made one (1) minute after the  "First Substitute" is lowered. The starts for all succeeding divisions will follow in order after the new warning signal. Failure of a boat to see or hear her recall signal shall not relieve her of her obligation to start correctly.
- 10.4. Abandonment: Should the Race Committee elect to abandon racing for all divisions prior to any starts, it will so signal by the display of code flags  "N" over  "A" accompanied by three (3) sound signals. If the race is to be abandoned only for certain divisions, the code flag  "N" will be flown over the *ribbons* of those divisions for which racing has been abandoned. A supplemental announcement will be broadcast over VHF channel 72. After at least one division has started, the Race Committee may elect to abandon racing if concerns arise over the safety of competitors. In such event, the Race Committee shall display code flags  "N" over  "H" accompanied by three (3) sound signals, indicating all racing is abandoned and competitors should make for the nearest port. An announcement will be made simultaneously over VHF channel 72.

11. THE FINISH

- 11.1. The finish line will be between the blue flag on the Signal Boat and mark R18, unless the course is shortened.
- 11.2. Upon finishing boats must keep clear of all boats still racing. Boats infringing this requirement may be subject to protest and disqualification.

12. SHORTEN COURSE

- 12.1. In the event the Race Committee decides to shorten the course for one or more divisions, it shall position a race committee boat near a mark of the course which is a rounding mark of the course and finish boats between that mark and a boat displaying code flag "S"  with two sound signals before

SAILING INSTRUCTIONS v2.1

WHITEBREAD 32

27 September 2025

the first boat finishes.

- 12.2. Yachts shall finish by sailing the shortest course from the prior mark to a line between the code flag "S" on the race committee boat and the nearby mark.
- 12.3. If no division pennants accompany code flag "S" , then the race is shortened at that mark for all divisions. These signals will be supplemented with an announcement on VHF channel 72.
- 12.4. Conditions may require the race to be shortened at different marks for different divisions.
- 12.5. If, instead of flying code flag "S", a Race Committee Vessel in the vicinity of a rounding mark of the course is flying code flag "R" , yachts are to round the race committee vessel to port and then proceed to the finish honoring previously passed course marks on the same side of the mark. The course mark at which the race committee boat is stationed need not be rounded. This changes RRS 32.

13. TIME LIMIT

- 13.1. Boats failing to finish the course by 1700 hours will be scored TLE (Time Limit Expired). If no boat in a class has finished by 1700 hours, the race shall be abandoned for that class. This changes RRS 35.

14. PROTESTS & REDRESS

- 14.1. A boat intending to protest for an incident that she was involved in or witnessed shall inform the protested boat(s) at the first reasonable opportunity. The protesting boat shall hail, "Protest" and conspicuously display a red flag at the first reasonable opportunity. The red flag must remain displayed until she is no longer racing. When leaving station after the race, the Race Committee will broadcast the protest log over VHF channel 72.
- 14.2. The intention to protest shall be reported by hail or VHF to the Race Committee upon finishing and shall include the sail numbers of the protested yacht or yachts. This modifies RRS 61.3 and 62.2. Protests and requests for redress shall be submitted to the Race Committee by email to admin@pbsa.us on the US Sailing Protest Form [Protest Form](#). The protest time limit is **one hour** after the last boat finishes.
- 14.3. **Please note that Appendix V1 is in effect allowing a one turn penalty for an infraction of a rule in Part 2 or Rule 31 of the RRS. However, breaking a rule of Part 2 while in the zone around a mark other than a starting mark still requires a Two Turns Penalty. A boat may also take a post race 30 % scoring penalty as provided in Appendix V2.**

15. SCORING

- 15.1. The Time Correction Factor (TCF) will be determined in accordance with the following formula:
$$TCF = 600 / (480 + PHRF).$$
- 15.2. Divisions may be broken into multiple classes as indicated on the scratch sheet. These classes are for scoring purposes only; all classes within a division will maintain the same division flag, start together, sail the same course and effectively race together.
- 15.3. Scoring inquiries may be made from the [Official Notice Board](#).

16. WITHDRAWALS

- 16.1. Any boat withdrawing from the race should notify the Race Committee immediately either by radio on VHF channel 72 or by hail from close by a committee boat. If these methods of communication are not acknowledged by the Race Committee, call or text message 631-813-6710.

17. RADIO COMMUNICATIONS

- 17.1. The Race Committee will use VHF channel 71 for check-in only and VHF channel 72 for all announcements to the fleet. All boats shall monitor VHF channel 72 throughout the race.
- 17.2. Announcements by the Race Committee given over the radio are provided as a courtesy to sailors. Failure to hear such announcements shall not be grounds for redress.

18. DISCLAIMER OF LIABILITY

- 18.1. Competitors participate in this race entirely at their own risk. See RRS 3, "Decision to Race".

SAILING INSTRUCTIONS v2.1

WHITEBREAD 32

27 September 2025

The organizing authority, the Race Committee and the individuals serving in any capacity to organize, administer and conduct this race will not accept any liability for material damage or personal injury or death sustained in conjunction with, prior to, during or after the race.

APPENDIX A: SELECTED SIGNAL FLAGS AND ACCOMPANYING SOUNDS						
		FLAG	MEANING	FLAG	MEANING
