**Long Distance Series Championship:** All nine scheduled races will be included in the year long Long Distance Series Championship using the High Point System:

### LONG DISTANCE SERIES CHAMPIONSHIP HIGH POINT PERCENTAGE SYSTEM

**FLEET ELIGIBILITY**: An overall trophy will be awarded for each fleet where at least 5 eligible races are sailed and scored as a fleet. Yachts competing for an overall award will be assigned to an eligible fleet, based on rating, by the race committee at the end of the racing season. Two otherwise ineligible fleets may be combined to form a single fleet, for the purpose of this award, at the discretion of the race committee.

**RACE ELIGIBILITY:** For inclusion in the overall scoring, a race must have a minimum of 3 finishers for the fleet. Yachts that do not comply with the event entry requirements (i.e. Complete form and pay fee) or do not start within 10 minutes of their scheduled start time are not considered entries.

## 1. RACES TO COUNT AND MINIMUM REQUIRED

To qualify for inclusion in the final series results a boat shall compete in (come to the starting area for) at least 75 percent of the eligible races.

### 2. RACE SCORES

Define 'N' to be the number of boats that compete in a particular race. Each boat finishing a race and not thereafter retiring, being penalized or given redress will be scored as follows:

| Finishing Place       | Points           |
|-----------------------|------------------|
| First                 | N                |
| Second                | N-1              |
| Third                 | N-2              |
| Fourth                | N-3              |
| Each Place Thereafter | Subtract 1 point |

All other boats that compete in that race, including any that finish and thereafter retire or are disqualified, will score 0 points. Boats that do not compete in that race (DNC) will not be scored for the Long-Distance Series Championship.

### 3. SERIES SCORES

The series score for each boat will be a percentage calculated as follows: divide the sum of her race scores by the sum of the points she would have scored if she had placed first in every race in which she competed; multiply the result by 100. The qualified boat with the highest series score is the winner, and others are ranked accordingly. Each boat's best 5 scores will be included. An excluded race counts as a race to qualify a boat for a series score but not as one of her scored races

#### 4. TIES AND OTHER RULES

Race ties will be scored using rule A7. Series ties will be broken using rule A8.1. Rules A1, A3, A5, A6, A9 and A10 also apply.
