Good evening, The weather forecast tomorrow shows the best winds from 9-12 noon.

So to take advantage of these winds we will shorten the Participants Meeting with the PRO so we can get down to have the first start at 10:00am. We will still take the group photo before going to our boats.

Check in is still at 8:00 am and the all Competitor meeting will start at 8:30am.

Please make sure all of you crew know of the change.

Looking forward to seeing you tomorrow!!

Dru
