Notice of Race

Invited Classes: El Toro, ILCA Dinghy, RS Aero, SailCube

The El Toro Yacht Racing Association (ETYRA) and Alameda Community Sailing Center (ACSC) are inviting singlehanded dinghy classes to an afternoon of fun, low-key, flat-water short course racing. The following classes for adults or youth sailors are invited: ILCA Dinghy (Laser), El Toro, SailCube, RS Aero.

How to Enter: Entry is by Regatta Network. Entry Fee is \$15.

For Open Sailors: ACSC members who are participating in Open Sailing are invited to enter using ACSC-supplied Lasers or Cubes, plus you'll be able to continue racing until the end of the regatta. Just follow the normal ACSC process for Open Sailing. Then enter on Regatta Network.

Schedule: Skipper's Meeting Saturday Oct 18th at 1200 in the ACSC Main Classroom. First gun at 1300, with racing until 1600. Awards afterward in the Main Classroom.

We have multiple course locations we may utilize, depending on weather conditions. The Encinal Boat Ramp offers access to the open Bay, but given typical weather conditions we're likely to launch off our local beach and race in a calm, protected area, inside the rock wall.
