

Additional Event & Club Information

We welcome you to RYC. Here is some helpful information for your visit:

ON-SHORE HOSPITALITY

You won't find a better sunset than on our heated deck! More information about our Bar & Galley is located here:

<https://www.richmondyc.org/on-shore/dinner>

No cash accepted (except for tips, of course!).

CREW BOARD

Need crew? You might check out our Crew Finder list. Go onto www.richmondyc.org, and look under "On the Water" to find the Crew Finder.

LOCAL MARINE HAZARDS

We have attempted to collect information about local hazards that you might encounter if you are not familiar with our area. Go onto www.richmondyc.org, and look under "On the Water" and then "Racing". On the top of that page is a link to "Local Marine Hazards" near our club.

BOAT AND TRAILER STORAGE

You may arrive one day early and leave your boat one or two days after any event at RYC. If you wish to stay longer, please contact the Harbormaster in advance: (510) 234-6959.

EVENT PARKING

On-site parking is available until full. The south portion our lot is reserved for berth holders. Street parking is available on the south side of Brickyard Cove Road. Please do not park on Mallard Drive or Pelican Way, which are private roads. There have been break-ins both in our lot and on the street. Please act as you would in any urban part of the Bay Area and do not leave anything visible that is attractive to thieves, especially backpacks and computer bags.
