

C420 Clearwater Open Arrival Plan

Hey Participating Sailors and Families,

Arrival Logistics

Note CCSC is open during business hours 9am-5pm. If you need to get into the sailing center outside of these hours please reach out to me (863-307-8295 or mateo@sailclearwater.org) During the event days (Saturday-Sunday) staff will open the gates early.

420s are welcome to arrive as early as Friday. Please unload 420s in the “gravel lot” just north of the main ccsc parking lot to help keep the entrance flowing. 420s should be staged on the main yard grass of the sailing center. Please rig boats on the grass, not on the pavement. We utilize a tractor to launch boats that requires us to keep the pavement space clear.

Trailers can be left in the “gravel lot” just north of the main ccsc parking lot. Note that this is not a fenced in area, please bring a hitch lock with you just as a precaution. If you need fenced in storage, communicate with me directly and I can help accommodate you.

The map below shows the location of both trailer and 420 drop off locations

Coach Boats

CCSC does not have docks. With this being a relatively small event coach boats will be launched and pulled at CCSC using our tractor throughout the duration of the event. Coach boat trailers will be staged in CCSC main coachboat staging area and will launch immediately after the competitors meeting.
