

MIAMI SAILING WEEK

**2026 MIAMI SAILING WEEK
Youth: March 21 – 22, 2026
NOTICE OF RACE Amendment #4**

The VHF channels stated in NOR 9.4 were incorrect. The correct channels, per the Sailing Instructions are 68 for Optimist Green fleet, 69 for Optimist RWB, 73 for ILCA and C420 Fleets, and 13 for Windsurfers.

This amendment removes specified radio channels from the NOR. Specifically, NOR 9.4 is changed to say, in part:

SV must carry a VHF radio and while on the water monitor the channel provided for their sailors' circle in the Sailing Instructions.
