Addendum A – Regatta Park Map

Addendum B

Optimist RWB Regatta format and scoring

- A.1. Optimist RWB Boats will sail a qualifying series on Saturday and be assigned to either a Gold or Silver series on Sunday.
- A.2. Division assignments of Yellow, Blue, Green, or Red will be determined for the Saturday qualifying series based on random assignment. Assignments will be for the entire day with no changes. The format will be a Round Robin defined in NOR A.13. The organizing authority's decision on division assignments will be final and cannot be grounds for a boat to request redress. This changes RRS 62.1(a).
- A.3. An incomplete/unbalanced Round Robin will not be cause for redress. This changes RRS 62.1(a).
- A.4. The Fleet will race in "Sets" of races on Saturday. For the purpose of the sailing instructions, a "race" is a race with two divisions, and a "Set" is a pair of scored races in which all divisions compete. The race committee will endeavor to run complete "Sets" of races each day and at its discretion may abandon incomplete "Sets". Only completed "Sets" will be scored. If the last race of a "Set" cannot be completed before the end of racing on a given day, both races in the incomplete "Set" will be abandoned and all scores for that "Set" will be discarded.
- A.5. [SP] [DP] [NP] The organizing authority will provide each boat with a colored streamer corresponding to the color of the qualifying division to which she is assigned. While on the water each boat shall at all times display the colored streamer. The streamer shall be attached securely to the sprit loop at the top of the sail, and its size shall not be changed. Qualifying division assignments will be posted on the official notice board.
- A.6. A maximum of five (5) "Sets" of races are scheduled for the RWB Qualifier.
- A.7. For the Sunday Gold/Silver Series:
 - A.7.1 Boats will be reassigned to fleets based on their cumulative scores (as of 2200 Saturday evening, regardless of protests or redress requests not yet decided) for Saturday races. No throw-outs will be used for this determination. Those boats with cumulative ranking in the top half of the fleet will be assigned to the Gold (Yellow streamer) Fleet. Those Boats with cumulative scores in the bottom half of the fleet will be assigned to the Silver (Blue streamer) Fleet. In case of a middle fleet tie, ties will be broken using RRS A8.
 - A.7.2 In no case shall the Silver Fleet have more boats than the Gold Fleet.
- A.8. Final Ranking: In the event that no Sunday races are completed, the fleet final series scores will be the cumulative scores of completed races.
- A.9. Prior to warnings for the qualifying round robin series, the Race Committee will display 2 flags whose colors indicate which divisions will start the next race. Prior to warnings for the Gold/Silver Series, the Race Committee fleet will display 1 flag whose color indicates which Fleet will start the next race.
- A.10 All divisions must have completed at least one (1) race in order to constitute a regatta.

- A.11 For the qualifying round robin series, RRS A5.2 is changed to: a boat that did not start, did not sail the course, did not finish, retired or was disqualified shall be scored for the finishing place one more than the number of boats entered in the larger of the two races as described in A.4.
- A.12 Scores from races in both the qualifying races and final series will be used to determine a boat's final regatta score. Boats assigned to the Gold fleet will be ranked higher than the boats assigned to the Silver fleet.
