March 21-22, 2026

SAILING INSTRUCTIONS (SI) (excluding windsurfers)

SI Addendum 1 is hereby modified as follows:

- ILCA and C420 fleets will not be doing a trapezoid course
- The Optimist RWB trapezoid is modified to be an outer trapezoid with an upwind finish, per the following diagram:

Also, Paragraph 7.5 is added:

For the Optimist RWB course, the angle from Mark 2 to Mark 3P/3S may be changed up to 15 degrees in either direction to compensate for wind / current differences on that side of the course, without signals or change marks, provided the change is made before any boats begin that leg. This is added to RRS 33.
