

Introducing **Regatta Hero**:

Your personal pursuit race countdown timer

- *Want your own personal 5-minute countdown timer based on your PHRF?*
- *Want to replay your track after the race?*
- *Want the race committee to be able to see if you've been swept out the gate?*
- *Want to do this with a free app on your smartphone?*

RYC has partnered with Regatta Hero to offer our competitors the option of using this app for the Sunday Pursuit Race. It's optional, but fun!

This free app is available for iOS and Android devices and turns the pursuit race starting times into a standard 5-minute countdown. In addition, it logs the competitors' race tracks for later review.
