Sailing Instructions

1. RULES

1.1 The event is governed by the rules as defined in *The Racing Rules of Sailing 2025-2028*.

2. CHANGES TO SAILING INSTRUCTIONS

2.1 Changes to a SI may be made on the water by the Race Committee (RC) via broadcast on VHF radio as provided in SI 3.2 and require acknowledgement.

3. COMMUNICATIONS WITH COMPETITORS

3.1 Notices to competitors will be posted on the Official Notice Board which is the Regatta Network race page, a link to which can also be found on the [Marina del Rey Venture MacGregor Fleet](http://www.mdrvfmf.com) website (www.mdrvfmf.com).

3.2 On the water, the RC intends to monitor and communicate with competitors on VHF radio channel 71. Failure of the RC to broadcast, mistaken broadcasts, or failure of a competitor to receive this information will not be grounds for a request for redress. This change is added to The Racing Rules of Sailing (RRS) 60.1(b)

4. SCHEDULE OF RACE

4.1 All competitors shall check in with the RC via channel 71 between 1730 and 1745 **only** on the night of the race. **No check ins will be allowed during any starting sequence.**

4.2 RC has the right not to respond to any radio communication during all start sequences.

4.3 The scheduled time of the first warning signal is 1750.

5. CLASSES

5.1 There will be three (3) designated classes based on PHRF Area-B handicap rating.

5.2 To create a one-design class, there must be 5 or more boats registered. All one-design classes will start based on their rating but be scored separately.

A	Up to 100
B	101 - 160
C	161 and higher

1751	Flag P	One	Preparatory signal
1754	Flag P removed	One long	One minute to starting signal for A class
1755	Course flag remains	One	Starting signal for A class; warning signal for B class

8.2 The RC may count down the last five (5) seconds before the starting signal for each boat as provided in SI 2.2.

8.3 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other classes.

8.4 If any part of a boat's hull is on the course side of the starting line at her starting signal and she is identified, the RC will attempt to hail her sail number. Failure to hail number, failure to hear such a hail, and/or the order in which boats are hailed will not be grounds for redress. This changes RRS 61.

8.5 The starting signal for a fleet will be the 5-minute warning for the subsequent fleet.

9. MARKS
