The West Marine Fun Regatta, hosted by the Santa Cruz Yacht Club Junior Sailing Program, invites all intermediate and advanced youth sailors in this regatta. This regatta is open to El Toro's, Optimist's, CFJ's, (Including last year's seniors), Laser Radial Rig, and 29er's. It is held off the Santa Cruz Beach by the Boardwalk, the water is only about 50 degrees, and it is Open Ocean. This is not an event for beginners.

The regatta will be governed by the *rules* as defined in the *Racing Rules of Sailing 2009-2012*.

The sailing instructions will alter RRS rule 40 to require personal flotation devices be worn. The sailing instructions will alter RRS rule 44.1 replacing a two-turn penalty with a one turn-penalty. Changes to the RRS will appear in full in the sailing instructions.

Racing will be around temporary inflatable buoys within a 1.5 mile radius from the Santa Cruz Small Craft Harbor west jetty. There will be two race courses. The inner course will be for El Toro's and Optimist's. The outer course will be for the other boats. Windward-leeward and Triangle-windward-leeward courses may be used.

Many races will be scheduled. The first warning on Saturday will be made at 12:15. The first warning on Sunday will be made at 11:55. No warning signal will be made after 3:00 Sunday. Two races are required to be completed to constitute a regatta.

A competitors meeting is scheduled on the West Harbor Lawn for Saturday, September 11, 2010, at 10 AM.

Sailing instructions will be available at the registration desk no later than 9:30 AM, Saturday, September 11, 2010. They may be posted earlier on Regatta Network and the SCYC website www.SCYC.org. Look under Juniors.

Coach boats will be allowed as long as they stay clear of the racing course and do not coach during the races.

It is expected all will show good sportsmanship, take their penalty turns when needed.

Trophies are provided by West Marine. They will be awarded on the lawn after racing Sunday, September 12, 2010.
