

# Sailing Instructions Wickford Regatta 2011

Wickford Yacht Club is the Organizing Authority

- **1. Rules** The regatta will be governed by the 2009 2012 Racing Rules of Sailing and the class rules of the invited classes.
- **2. Notices to Competitors** Notices to competitors will be posted on the official notice board located on the south wall of the concessions stand near the race office tent. There will be a temporary notice board at Wickford Yacht Club during the dinner on Saturday night.
- **3. Signals Made Ashore** Signals made ashore will be made orally from the vicinity of the race office tent. For the Viper class, signals made ashore will be made orally from the vicinity of the marina office at Brewer's Wickford Cove Marina, except that the competitors meeting will not be duplicated.
- **4. Eligibility and Entry** The regatta is open to the **Laser, Laser Radial, International 420, Club 420, Viper, A-Cat, and International 505** classes. All entries shall conform to the eligibility rules of the respective classes.

## 5. Event Schedule

	i <b>day</b> 00-1800	May 20, 2011 Check in and late registration
		May 21, 2011 Check in and late registration Competitors meeting at Warning signal first race. Subsequent races to follow immediately
Su	ınday	May 22, 2011
10 15		Earliest possible start time. Subsequent races to follow immediately. No races to start after this time.

#### 6. Class Flags

Class	Class Flag
505	Blue insignia on white background.
Laser	Red insignia on white background
Laser Radial	Numeral pennant #2 – white oval on blue background
I-420	Black insignia on white background
C-420	White insignia on red background
Viper	Numeral pennant #3 – red, white, blue vertical bands
A-Cat	Numeral pennant #4 – white cross on red background

**7. Racing Area** See Appendix A. The Bravo course to be used will be posted on the notice board 2 hours before the scheduled starting time each day.

#### 8. Courses and Marks

- **8.1** See Appendix B for course diagrams and descriptions.
- **8.2** All turning marks other than gate marks and the short weather mark on Bravo Course will be 5' bright orange West Marine "tomatoes".
- **8.3** Gate marks will be 4' red/orange APS cylinders.
- **8.4** The short weather mark on Bravo course will be a 4' orange tetrahedron.

- **8.5** No later than the warning signal the race committee signal boat will display the course designation for the next class to start.
- **8.6** When sailing course **W**, mark **WS** may not be in position and vice versa. In this situation the mark not in position at the start of the leg may be set during the leg for another class. It is the competitor's responsibility to sail to the correct weather mark.
- **8.7** Course **WS** will only be used on Bravo Course.

#### 9. Start

- **9.1** Races will be started by using RRS 26 for all classes except 505.
- **9.2** The 505 class will use a gate start procedure that is described in Appendix C.
- **9.3** The starting line will be between a staff displaying orange flag on the signal boat and a 2' bright orange Bema buoy on the port end of the starting line or an orange flag on the port end boat.
- **9.4** Boats whose warning signal has not been made shall avoid the starting area.
- **9.5** A boat starting later than 4 minutes after her starting signal will be scored Did Not Start.
- **9.6** The intended starting order will be announced at the competitors meeting on Saturday and will be posted on the notice board before 9:00 AM on Sunday. The starting order may be changed over the course of the day to minimize delays.
- **9.7** The class flag of the next class to start will be flown from the stern of the signal boat during the starting sequence of the preceding class or prior to the starting sequence if no class is in sequence and will remain flying from that location until approximately 1 minute before the warning signal of that class. A series of short sound signals will be made when the class flag is removed from the stern of the signal boat.
- **9.8** In the event that the class designated to start next is not prepared to start either at the scheduled time, after any postponement, or after being signaled according to SI 9.6, code flag L and the class flag of the new class will be displayed from the stern of the signal boat with a sound signal. Code flag L and the class flag will be removed according to SI 9.6.
- **10.** Change of the Next Leg of the Course The distance and direction to the next mark up to a maximum of 10 degrees may be changed without any signal. The new mark shall be in place before any boat begins the leg. This changes **RR 33**. Subsequent legs may be changed to maintain the course shape.

#### 11. Finish

- **11.1** On courses **I** and **O** (trapezoid courses) the finish shall be between a blue flag on the finish boat and a 4' red/orange APS cylinder.
- **11.2** On courses **W** and **WS** the finish shall be between a blue flag on the starboard side of the signal boat and a yellow tetrahedron on Bravo course and an orange tetrahedron on Alpha course. There will be an 18" bright orange keep off buoy off the starboard side of the committee boat which must be left to starboard. The keep off buoy ranks as a mark, but may not be precisely on the finish line.
- **12. Penalty System** For the A-Cat class, rule 44.1 is changed so that the Two-Turns Penalty is replaced by a One-Turn Penalty.

#### 13. Time Limit and Target Times

Time limits and target times for the first boat are as follows:

Class Time limit Target time Time limit after the first finisher

All Classes 80 minutes 40 minutes 15 minutes

#### 14. Protests

- **14.1** Protest forms are available in the race office tent. Protests and requests for redress shall be delivered there within the appropriate time limit.
- **14.2** The protest time limit is 60 minutes after the last boat has finished the last race of the day in its course area and will be posted on the official notice board.

#### 15. Scoring:

**15.1** The Low Point Scoring System, Appendix A of the racing rules will apply. There will be one throw-out if 4 or more races have been completed. Eight races are scheduled, of which one shall be completed to constitute a series.

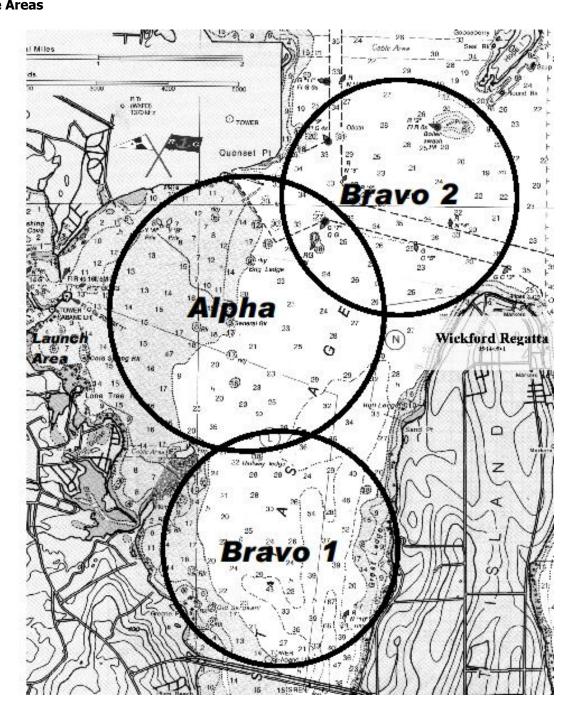

#### 15.2 Combined fleet scoring for Lasers and Laser Radials

- a. Lasers and Laser Radials will sail as a combined fleet unless both classes have 10 or more entries.
- b. If the Lasers and Laser Radials sail as a combined fleet the individual races will be scored counting all competitors in the order that they finish and a final ranking for each class will be extracted from the fleet totals.

#### 15.3 Combined fleet scoring for I-420s and C-420s

- a. I-420s and C-420s will be given to opportunity at the competitor's meeting to choose to sail as a combined fleet.
- b. Should the fleets elect to sail as a combined fleet, the individual races will be scored as if the fleets had sailed separately.
- **16. Safety** Each competitor will be responsible for wearing an USCG approved PFD at all times on the water. This changes RR 40.
- **17. Prizes** Prizes will be awarded based upon the number of entries received by the end of advanced registration. 10 or more entries, top three. Fewer than 10, top two. Equal prizes will be awarded to both skipper and crew.
- **18. Disclaimer of Liability:** Competitors participate in the regatta entirely at their own risk. See rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

Windward Leeward W=S,1,2G,1,F Windward Leeward - Short WS=S,1S,2G,1S, F

#### **Appendix C – 505 Gate Start Procedure**

- Races will be started using RRS 26 with the warning signal made 5 minutes before the starting signal from the Race Committee Boat.
- **C1.1** Before each start, the Race Committee Boat will display the maximum amount of time that the gate will remain open after the starting signal on a white board on the port side of the Race Committee Boat.
- **C2** The starting line (except for the Pathfinder) shall be between the Port Limit Mark and the centre of the stern of the Pathfinder.
- **C2.1** Starting Marks will be:
  - (a) The Port Limit Mark will be the pin end of the starting line as described in SI9.3.
- C3 The Pathfinder for the first race sailed will be appointed by the Race Committee. The Pathfinder for subsequent races will be the boat that finished 4<sup>th</sup> in the preceding race. When this boat is unable to race or has acted as Pathfinder previously, the Pathfinder will be appointed by the race committee and will normally be the boat that finished 5th in the preceding race.
- **C3.1** The national letters and sail number of the Pathfinder will be posted on the official notice board for the first scheduled race of the day, and on the Race Committee Boat for any subsequent races that day.
- **C3.2** Prior to the preparatory signal the Pathfinder shall report to the Race Committee Boat.
- Approximately 5 seconds prior to the starting signal the Pathfinder shall round the Port Limit Mark (leaving it to port) and begin a close-hauled port tack.
- **C5** The gate is considered open when the Pathfinder clears the Port Limit Mark.
- **C5.1** A boat starts when, having been entirely on the pre-start side of the starting line before the gate opens, any part of her hull, crew or equipment crosses the starting line in the direction of the first mark. This changes the definition in the RRS.
- All boats (except for the Pathfinder) shall start on starboard tack after the Pathfinder clears the Port Limit Mark. RRS 29.2, Individual Recall, shall not apply.
- C7 The Pathfinder shall sail its close-hauled port tack course until the gate is closed or until the last boat crosses the starting line, after which it ceases to be a starting mark and may continue its course or tack onto starboard tack.
- The gate is closed once all competitors have started or the allotted time defined in sailing instruction 11.1.3 has passed, whichever occurs first. The Race Committee will signal the close of the gate by lowering flag G with a short sound signal. Thereafter no boat shall start.
- **C9** Before starting, a boat shall not interfere with the Pathfinder. Any boat that interferes with, or that causes another boat to interfere, or that is on the port side of the Pathfinder as it opens the gate, shall retire from that race and shall be ineligible for any restarts of that race unless the infringing boat can satisfy the Race Committee that its actions were caused either by another boat not having right of way or by some other unavoidable circumstance. This changes RRS 36. Note that making contact without impeding progress is not considered interference and hence an infringing boat is not disqualified.
