

??????? PROBLEMS ??????

We are not web site experts, nor do we understand all the ins and outs of Regatta Network which was used to set up the registration site.

If you get really frustrated, send us an email at cscregister@mindspring.com. Or call us at 919-844-3598 in the evening or on the weekend (but we may be out sailing).

We may not be able to solve the problems, but we'll eventually get you registered.
