The OA reserves the right to accept or reject the entry of any yacht and will have the authority to interpret the conditions governing the event and shall assign yachts to classes.

**1 RULES**

- 1.1 The event will be governed by *The Racing Rules of Sailing* (RRS), including the US Sailing prescriptions; applicable class and/or rating rules; the Notice of Race (NOR); and the Sailing Instructions (SI). When there is a conflict between rules, succeeding documents in this list shall govern. This alters RRS 63.7.
- 1.2 The deeds of gift of the **Beauregard "Bugs" Avegno Trophy** and **Jack Dane Trophy** will also apply.
- 1.3 Between the local hours of sunset and sunrise, RRS Part 2 will be replaced by the *USCG Navigation Rules* (IRPCAS/COLREGS) Part B—Steering and Sailing Rules.
- 1.4 Monohull yachts shall be governed by the Bylaws of the GYA Performance Handicap Racing Fleet (GYA-PHRF).
- 1.5 Multihull yachts shall be governed by the GYA Multihull Council (GYA-MC) Safety Recommendations, for which the event shall be classified as Category 2.
- 1.6 RRS 26, 62.1(a) and 63.7 are altered herein. Other documents may change other rules.
- 1.7 Yachts shall set only one (1) headsail on the permanent forestay at a time, except while changing sails.
- 1.8 Yachts shall set only one (1) staysail at a time and it shall not extend beyond the rated LP distance.
- 1.9 Whisker poles shall only be set to windward, except while gybing.
- 1.10 NON-SPINNAKER classes shall not set unstayed, free-flying sails, such as a spinnaker, gennaker, flasher, shooter, blooper, or any other sail cut, set or flown to simulate such.

**2 YACHT ELIGIBILITY AND SAFETY REQUIREMENTS**

- 2.1 The regatta is open to yachts rated 210 or lower with a valid rating certificate issued by GYA-PHRF or GYA-MC. Yachts with X-PHRF certificates may petition the OA for entry on a case-by-case basis.
- 2.2 RACE TRACKING – Each yacht shall provide and carry a GPS tracking device in accordance with the appendix RACE TRACKING SPECIFICATION. The device shall be operational from the time a yacht casts off before the start and until she next docks, after finishing or withdrawing from the race.

### 3 CREW ELIGIBILITY AND RESPONSIBILITIES

- 3.1 The term “Skipper” as used herein means the person, whether or not the owner of the yacht, who is so designated on the entry form and who is the Person in Charge of the yacht during the race. The Skipper is responsible for the yacht, its handling and safety, the conduct of the crew before, during and after the race, and compliance with the Notice of Race and the Sailing Instructions.
- 3.2 The safety of a boat and her crew is the sole and inescapable responsibility of the Owner, who shall do his best to ensure that the boat is fully sound, thoroughly seaworthy and manned by an experienced crew who are physically fit and sufficient in number to sail the boat in adverse conditions. The owner must ensure that all safety equipment is properly maintained and stowed and that the crew knows where it is kept and how it is used.
- 3.3 The Skipper shall make all race documents available to each crew member for review.
- 3.4 Single-handed entries will not be accepted.

# RACE TRACKING SPECIFICATION

---

## 1 OVERVIEW

Each yacht shall provide, configure, register, carry and maintain a GPS tracking device as specified herein. Live race tracking will be provided by [Kattack.com](http://Kattack.com). The public race tracking data will be available online, as linked via the event web site.

## 2 GPS TRACKING DEVICE

2.1 OPTION 1 (recommended) – **SPOT Personal Tracker** or other suitable SPOT device, including the SPOT Basic Service Plan and Track Progress service add-on. SPOT devices are available from various retailers. SPOT subscription service is available at [findmespot.com](http://findmespot.com). SPOT devices, with Track Progress activated, may also be rented from various sources.

2.1.1 Track Progress mode (“SPOTcasting”) must be engaged on the SPOT device throughout the event. Note that this mode must be re-engaged on the device at least once every 24 hours.

2.1.2 Fresh batteries should last for several days in Track Progress mode, but replacement batteries should also be available.

2.2 OPTION 2 – **Kattack Mobile** app installed on a compatible GPS-enabled smart device (Apple or Android) with suitable data service plan. The app is available through [Kattack.com](http://Kattack.com) and the Apple and Android app stores. Check with Kattack for compatibility with other smart devices.

2.2.1 BATTERY LIFE is a primary concern when using a GPS-enabled smart device for race tracking. Provision must be made to maintain the battery charge during the race. It is strongly recommended that the device be continuously connected to a charging device while racing.

2.2.3 Care must be taken that the Kattack Mobile app is able to run continuously throughout the race, as other apps or settings may occasionally interfere with its operation.

*The mobile app relies on cellular technology to transmit data and is intended for inshore use only, but is adequate for near-shore races. There may be periods when the yacht is out of cellular range, but once it returns to cellular coverage, the recorded tracking data is uploaded.*

2.3 The tracking device shall be secured in a suitable location for best performance, in accordance with the manufacturer’s recommendations.

2.4 The tracking device shall be active upon casting off before the start of the race.

## 3 REGISTRATION

3.1 Prior to the race, the tracking device shall be registered with [Kattack.com](http://Kattack.com), expressly for the event. Registration can be performed at any time after completing the event’s online entry form.

3.1.1 For SPOT devices, email the Shared Page URL from the Track Progress service to [tracking@southernyachtclub.org](mailto:tracking@southernyachtclub.org). Allow at least one (1) day for the URL to be processed.

3.1.2 For the Kattack Mobile app, enter the Boat Name and select the proper Race Feed in the drop-down list.

3.2 The RC will moderate the race tracking registrations for the event. You may check your registration by activating your GPS tracking device and going to the Kattack tracking web page linked from the event web site.
