

Welcome Support/Coach Boats!

This document was updated on May 19, 2013.

There is insufficient room on the SCYC side of the harbor to launch support/coach boats and store their trailers. When support/coach boats arrive in Santa Cruz they **must not be brought to the SCYC side of the harbor!** We have arranged with the harbor to launch support/coach boats at the main launch ramp on the east side of the harbor and store trailers about 1/2 mile from the ramp. Check in with the harbor office adjacent to the main launch ramp. Harbor information:

- Office Hours 9 a.m. to 5 p.m. everyday
- Phone number 831-475-6161
- Address 135 5th Avenue, Santa Cruz, CA 95062

You will receive launch and trailer storage directions.

Support/Coach boat registration is available on Regatta Network at <http://www.regattanetwork.com/event/6571>. The support/coach boat registration fee is \$50. It includes:

- Use of the main launch ramp starting Monday, June 24
- Trailer storage starting Monday, June 24
- In-the-water-berthing starting Monday, June 24
- Breakfast on race days
- Dinner on June 27 and June 29
- Event t-shirt

Each Support/Coach boat will be issued an identification flag by the race committee after providing a \$20 refundable deposit.

The registration fee and registration on Regatta Network is addressed in *Change #1* to the NOR.

We look forward to seeing you in Santa Cruz!

If you have questions please contact the Support/Coach Boat Chairman, Terry Drew, at thedrews721@hotmail.com or 831-688-7210 (try this one first) or 831-406-7722.
