

Kitty Muhl's Ladies Day Race

Join Us for a Fun Race!

The Tradition Continues...

Brought to you by: Coronado Yacht Club

When: July 27th, 2013 at Noon

What is it?: A "Woman's" Race, started at CYC in 1948*

*Kitty Muhl was a local Coronado jeweler and a CYC member for many years. In 1948 she organized a Deed of Gift to promote woman sailors at CYC called the "Ladies Handicap Race". Many San Diego woman racers today remember racing with their mothers at CYC for this event! WE are bringing the tradition back and want all San Diego Yacht Club's to join in the fun on July 27th!

The race starts and finishes at CYC (Glorietta Bay) with a random leg course in South Bay.
