RULES

All races will be governed by the Racing Rules of Sailing (RRS); the prescriptions of the United States Sailing Association (US SAILING); and class rules.

ELIGIBILITY AND ENTRY

The Final Gun Race is open to every member of Edgewater Yacht Club, members of US SAILING or another National Authority, members of recognized yacht clubs, and members of recognized sailing class associations. You do not have to be a member of the EWYC Racing program. Boats must select Spinnaker or non-spinnaker with registration.

FEES

The fee for the Final Gun is \$10 and must be paid in full prior to the close of registration on Sunday, October 6, 2013 at 8:00am.

MEASUREMENT

Each boat must conform to its class rules.

Submission of a current PHRF rating/measurement certificate copy is recommended and preferred. Boats without a current PHRF measurement certificate on file will be assigned a temporary rating at the discretion of the Race Committee Chairman. If an out of date but still in identical configuration PHRF-LE certificate is available for the boat, that rating will be assigned. If the boat has never had a PHRF-LE rating certificate, the fastest PHRF rating configuration adjusted to PHRF-LE standards will be used.

RACE SCHEDULE

The first warning will be at 10:55 am. There will be a skipper's meeting at 10:00 where the course and start times will be distributed.

THE START

The race will be a pursuit race based on assigned handicap. One end of the start and finish line will be at the EWYC Pavilion.

PRIZES

The awards ceremony will be following the race on the patio. The perpetual Final Gun Trophy will be awarded to the first finisher or fastest elapsed time for a boat racing with a spinnaker handicap. The JAM Iceberg Trophy will be awarded to the first finisher or fastest elapsed time to a boat using a non-spinnaker handicap. Additional flags will be awarded.
