Prepare yourself and your crew for an outstanding weekend of sailing! This event is a follow-up to the highly successful King Harbor Race Week held last September, only this time the event will be even larger and include more features that sailors want:

- Open ocean sailing with very consistent wind, great courses – exit the harbor in <10 minutes, get in some wave riding
- A truly professional race committee
- Excellent buoy racing in the best fleets – J-70, J-92, J- 109, Viper 640's, Martin 242's, Open 5.7's, Cal 20's, PHRF, Portsmouth, or get at least 3 of your best friends and establish a class
- OK, so you don't want all that stress with setting sails, dropping sails, arguing at marks, etc – enter the Cruising class and sail longer random leg courses
- Two 3 ton hoists with dockside support to get your boats in and out rapidly and efficiently
- Dockside beer and refreshments after a hard day of racing – the party will be ON
- Friday evening VIP (that's you!) welcome party
- Saturday post-race party (food, band, no-host bar) with an exceptional view of the race course – best ocean view in all of Los Angeles
- Beautiful trophies, daily winner awards
- Sunday post-race awards and reception
- Free mooring/docking
- Plenty of parking
- Full service galley offering breakfast and lunch
- Tequila tasting – Really!
- TECATE GIRLS!

You do NOT want to miss this event!!!
