- 1.2 A country's National Olympic Committee may enter no more than one boat in each of the ten Pan American sailing events. Qualification procedures and rulings will be the responsibility of the PASAF Qualification Committee. 2.0 NOC QUALIFICATION and REALLOCATION OF UNCLAIMED PLACES

- 2.1 The host country will automatically qualify one boat place in each of the ten Pan American sailing events.
- 2.2 The best-ranked NOCs in each of the relevant events at designated Qualifying Regattas will qualify one boat place per event according to the quotas presented in the table in Section 1.2. NOCs that have already qualified in a previous qualifying regatta will not be considered.
- 2.3 Unclaimed boat places will be allocated by the Qualification Committee as follows:
 - a) The first available places in a particular event will be allocated to the next eligible NOC in the last Qualifying Regatta for that event.
 - b) Remaining places will be allocated to the next eligible NOC in a previous Qualifying Regatta for that event.
 - c) Additional remaining places may be allocated by the Qualification Committee on the basis of results in other Regional Games and Class Championships, the ISAF World Ranking List (if applicable), overall results in the Qualifying Regattas and continental balance.
 - d) The Qualification Committee may reallocate places from one event to another, if appropriate.

3.0 QUALIFYING REGATTAS

- 3.1 Athletes from a minimum of three countries must compete in the relevant event at a Qualifying Regatta for it to be considered valid.
- 3.2 If a designated Qualifying Regatta is cancelled or fails to meet the requirement for a valid series, the places will be divided among valid regattas for the relevant event(s) in a proportion determined by the Qualification Committee. The Qualification Committee will attempt to maintain continental balance in the selection of alternate Qualifying Regattas.

4.0 NATIONALITY and AGE

- 4.1 A competitor may qualify an NOC for the 2015 Pan American Games only when eligible to represent that NOC under IOC rules. Nationality rules apply to all members of the crew.
- 4.2 Once a competitor has qualified an NOC (in any event) he or she may not thereafter qualify another NOC, irrespective of any change in their nationality as defined by the IOC, or their ability to claim multiple citizenships.
- 4.3 All competitors must be at least 15 years old in the year of the Pan American Games.
