## SAILING INSTRUCTIONS FIRST AMENDMENT Women Skippers Regatta May 17, 2014

### **Amendment 1, May 16, 2014**

#### 1. RULES:

1.1 The regatta will be governed by the rules as defined in *The Racing Rules of Sailing*.

1.2 A skipper will disqualify her boat and notify the race committee if at any time while racing a man touches the helm.

1.3 RRS 46 is changed: “The woman skipper that entered the boat shall be the person in charge”.

1.4 RRS 61.2(d) is changed: “The skipper shall be the protestor’s representative”.

1.5 The division in which a boat starts cannot be changed.

2. SAFETY: Boats shall not impede the passage of a vessel which can safely navigate only within a narrow channel or fairway (see US Dept. of Commerce chart 18649 for designated narrow channels and fairways of SF Bay) or fishing or other vessel with restricted ability to maneuver. Boats identified by sail number who endanger their own safety or that of the commercial or government vessel will be subject to protest by the Race Committee (RC) or a contestant and face possible disqualification. A protest for allegations of the above will be heard by a protest committee whether or not the requirements of RRS 61.1(a) & (b) have been fulfilled or exclusions referenced in RRS 60.2(a) have been met.

a) Propulsion: To comply with this section and to avoid impeding such a vessel, a competitor may utilize auxiliary power without being obligated to retire (in accordance with RRS 42.3(b)) for only as long as required to clear a channel expeditiously. In so doing, she shall notify the RC as soon as possible. She shall then be subjected to a scoring penalty of two (2) places worse than she would have received, however, she shall not be scored worse than DNF.

b) Personal safety is the responsibility of each individual while racing. Wearing a personal flotation device (PFD) is not a requirement of this race but it is encouraged. However, the RC may fly the Y flag in which event a PFD is required to be worn by all racers.

5. SIGNALS MADE ASHORE: Signals made ashore will be displayed from the main flag pole adjacent to the clubhouse. If a postponement is signaled ashore, the warning signal will be made not less than one hour after the AP flag is lowered.

6. SCHEDULE OF RACES:

The inability of a competitor to hear a hail for OCS or any other information shall not relieve her of her responsibility nor shall it be grounds for redress. RRS 90.2(c) is amended to allow oral changes to the SI on the water. In the event the RC needs to communicate oral changes it shall raise the "L" flag and attempt to hail competitors on VHF 71.

10. RACING AREA COURSES AND MARKS: The intended start venue is the Knox/Yellow Bluff area. Courses will use temporary (drop) and fixed government marks. Courses will be optimized for prevailing conditions.

13. TIME LIMIT: The time limit will be 1600 hours for all boats. Boats finishing after this time limit shall be scored DNF. This modifies RRS 35.

14. PROTESTS: Written protests shall be submitted to the WSR PRO on an official USSA form. Protests must be submitted by the skipper and received within 30 minutes of the time the signal boat is tied up at the SYC dock. Protests shall be heard 30 minutes after the filing deadline or as soon thereafter as a protest committee can be assembled.
