

# 2014 Wet Wednesday Series

April 30 to September 10, 2014  
Long Beach Yacht Club  
Long Beach, CA

## Sailing Instructions

### AMENDMENT 1

(Changes to SI 6 affects the Catalina 37 Class ONLY)  
(Changes to SI 12 affect ALL CLASSES)

#### SI 6 is AMENDED as follows:

For the Catalina 37 Fleet, only, Series 2, Race 4 on June 25, 2014 has been CANCELLED. As a result, as stated in SI 17.2, all races will count in Series 2 for the Catalina 37 Fleet only.

#### Add SI 12.3 and 12.4

- 12.3 The RC may shorten the course at the navigational buoy described in SI 9.2, as described in RRS 32.2.
- 12.4 The RC may shorten the course at the END of the continuing obstruction as described in SI 9.4 and 9.6. **This changes RRS 32.2.**

#### Explanation:

In the event of very light or no wind in Alamitos Bay, the RC may elect to shorten the course. This amendment provides two options at two different locations entering and within the channel. The finish line in both cases shall be between the respective buoy and a staff displaying code flag "S" which is on an RC boat. The RC boat may not be anchored.
