

## 2015 SONAR WORLD CHAMPIONSHIP

### MEASUREMENT/ LAUNCHING/HAULING INSTRUCTIONS

Measurement for the 2015 Worlds will begin on Tuesday, September 15<sup>th</sup> 0900-1800 hours and continue on Wednesday September 16<sup>th</sup> 0900-1800. All boats must complete measurement before they will be allowed to compete. Boats of competitors hosting the regatta will be measured prior to Tuesday using the same equipment and supervision as will be used for the regular measurement. Boat measurements will be done at the staging areas. At least 1 person must remain with the boat throughout the measurement process. Sail measurements will be made on the lower deck. All boats must be launched by 1800 hours Wednesday September 16<sup>th</sup>. Moorings will be assigned at registration.

Upon arrival, parking spaces in the main FYC parking lot will be assigned at registration for each competitor. The staging area for boats and trailer pre-weighing will be along the south bulkhead of FYC. Saw horses will be provided for the mast, which should be placed next to the boat for measurement prior to stepping. **Cars cannot remain with the boat.** Other options for vehicle parking are 1. Along the Town Bulkhead SW of FYC 2. Along Deacons Ave NE of FYC 3. Town Marina, across the harbor north of the Flying Bridge Restaurant. (Launch Service Available)

Measurement forms will be available at Check-In and/or the Measurement Area. Please have a hard copy of your approved measurement certificate, sails (1 mainsail, 2 jibs, 2 spinnakers), and safety equipment. Masts will be stepped after they are measured and prior to measuring the hull. Boats will be launched immediately after being weighed and measured. The boat's hull and rig will be weighed including the following: 1 set of sheets, hatch covers, mast partner blocks, fastened or permanent equipment including the following: compass, bilge pump, mast head fly and telltales, lifting slings and corrector weights.

**After all of your measurement forms are complete:** Return the complete set together with a copy of your measurement certificate to the check in desk prior to 1800 Wednesday Sept 16<sup>th</sup>.

**Trailer Parking:** OFF SITE- Parking Lot off of Dillingham Ave. (see map) Parking is available from 1200 hours Saturday Sept 12<sup>th</sup> to Monday, September 21<sup>st</sup>.

**Vehicle Parking:** During Launching/Hauling vehicle parking is not allowed. During the regatta, 1 car per boat will assigned a parking space at registration.

**Hauling:** Hauling will be on ascending order by bow number. The hoist will be for hauling boats only. Ginn poles will be used to un-step your mast. Staging trailers at FYC will be in spaces assigned at arrival. The hoist will be manned until 1800 hours on Sunday.
